

SHORT DECK

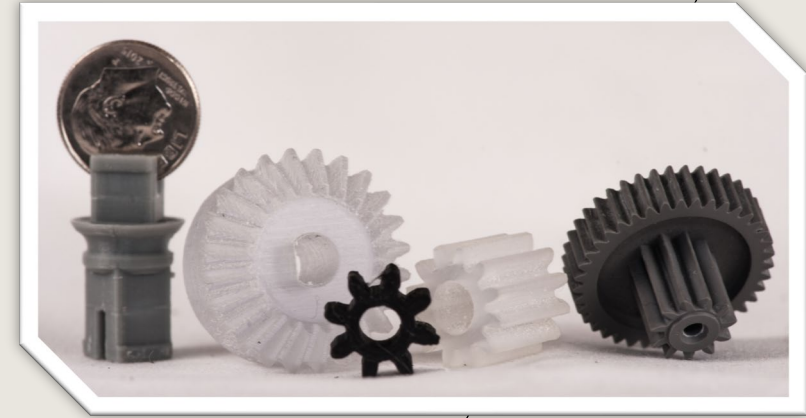

Izabela Sliwinska

ABOUT US

We are a specialty additive technology solutions, otherwise known as 3D printing, provider for industry and B2B customers.

We strive to deliver on the big 3 value propositions promised by additive.

Localization, Optimization, and Reduction of Downtime

CUSTOMERS COME TO US TO:

Prototype

Our customers come to us to help develop ideas, develop products, develop processes, & develop solutions.

Digitize

Our customers come to us for scanning, reverse engineering, CAD design, & the development of virtual inventories.

Produce

Our customers come to us for replacement parts, tooling, fixtures, components, molds & end-use items, including marketing materials.

OUR SERVICES
YOUR “THINGS”

PROTOTYPING CUSTOMER CASE

TOOLING REFINEMENT

- Food service industry.
- Production line problem.
- Multiple design iterations.
- Material selection and testing phase.
- Production line sample testing.
- Finalization & integration with internal team.

DIGITIZATION CUSTOMER CASE

VIRTUAL INVENTORY

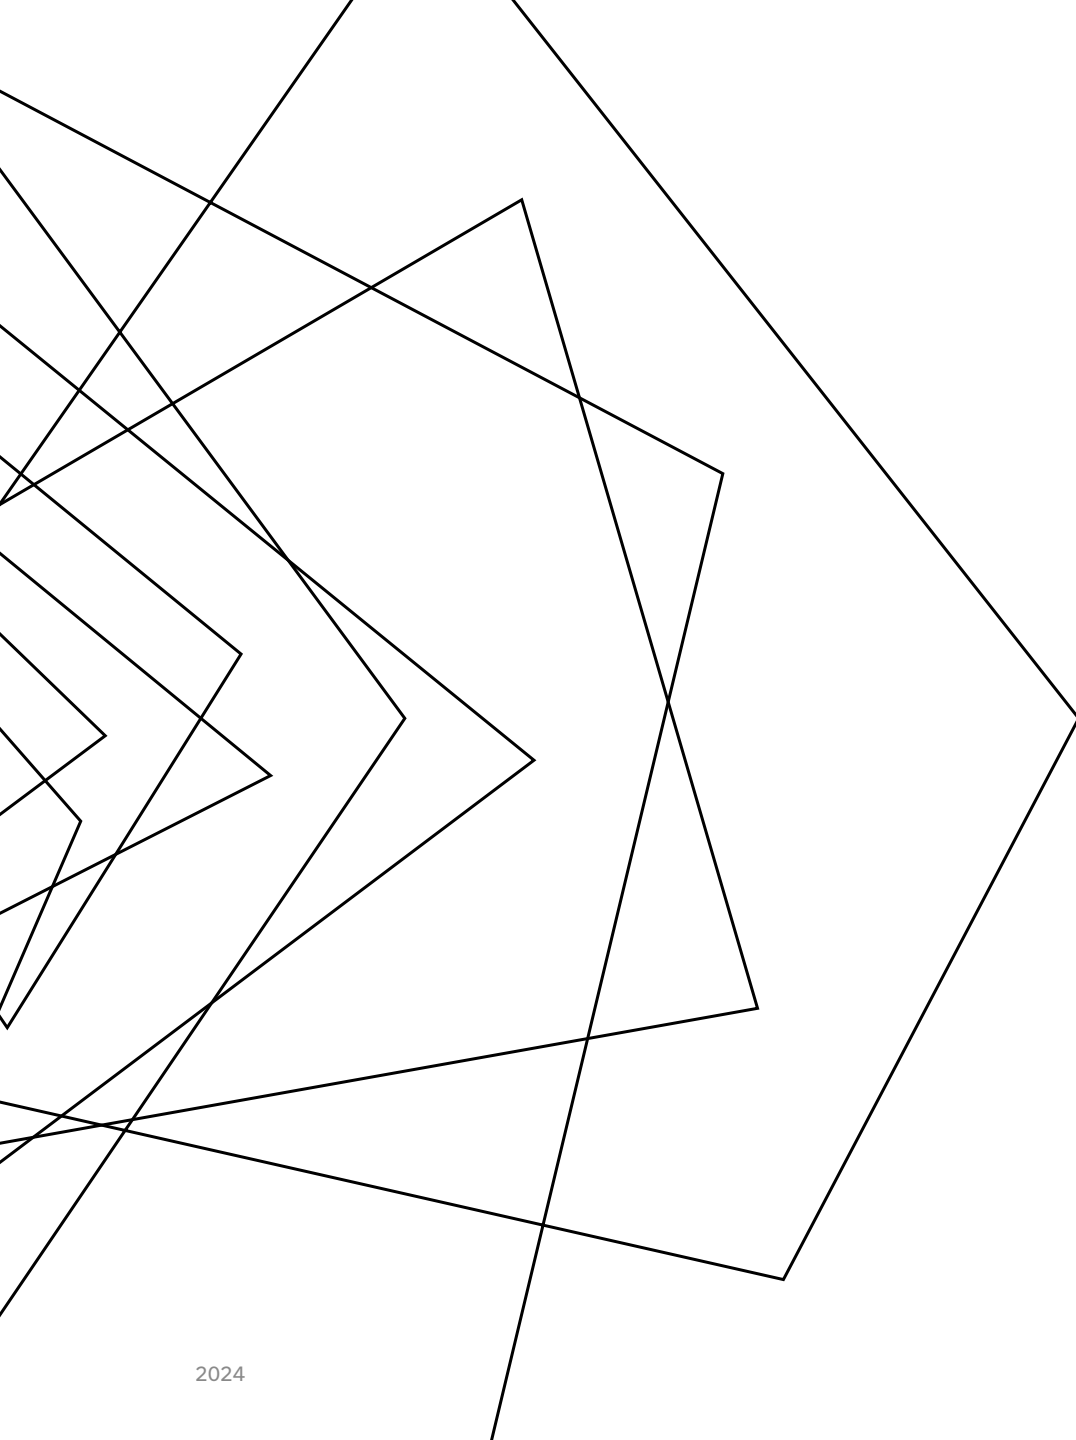

- Repair shop of specialty healthcare equipment.
- Non-OEM and OEM parts.
- Rare use but critical parts.
- Scanning & reverse engineering.
- Test prints for each new item.
- Low volume (1 to 100s) production as needed.

PRODUCTION CUSTOMER CASE

PARTS PRODUCTION

- Across multiple industries.
- Tooling, jigs, fixtures.
- Molds, including potting molds.
- Cases, enclosures, brackets.
- Control panel buttons, clips, guides.
- Photopolymer & thermoplastics.
- Specialty materials.

VALUE PROPOSITIONS

LOCALIZATION

We are hands on, just “down the street” and focus on local partnerships.

OPTIMIZATION

We will help you find the best and most effective solutions in the additive ecosystem.

REDUCTION OF DOWNTIME

Properly set up additive solutions allow for faster response times in many scenarios.

KEY INFO

LOCATED IN

Atlanta Metro Area – Northwest / Population 6+ Million People

OPERATING FOR

9+ Years in the Additive Industry

TEAM SETUP

2 Permanent Team Members

1 Part Time Team Member

Regional & National Ecosystem of Contractors, Consultants, SMEs, & Partners for Agile Operations & Production

CUSTOMERS & CLIENTS SERVED

900+ customers / clients *in*

30+ industries and segments *by*

25+ additive manufacturing systems / tools / solutions
